

European Week of Sport 2017

Catch up on the Seminar on Healthy Lifestyles, the signature ceremony of the Tartu Call for a Healthy Lifestyle and the Official Opening of the European Week of Sport

#BeInclusive EU Sport Awards

The #BeInclusive awards are designed to recognise and reward projects in the field of sport that have helped social inclusion.

Sport and migrants

Find out what EU sport projects and the world of football are doing for the integration of migrants

Sport

Fighting match fixing – a European effort

For many people, sporting competitions offer opportunities to also learn about other cultures. Take the Icelandic team in the Euro 2016 – people loved the Viking Thunderclap and the amazing support of the Icelandic fans. Sport also brings people together, just look at how Belgium becomes one when their football team is playing, or the recent Davis Cup Final.
